

**IMMEDIATE ACTION REQUIRED  
2012**

The Centers for Medicare and Medicaid Services (CMS) requires annual fraud, waste, and abuse prevention training by ALL providers and organizations involved in the Medicare Advantage part C & D programs. Additionally, they require that each individual organization attest to the fact that they have conducted the training. Failure to comply could result in the loss of the organization's contract to provide Medicare Advantage services.

We have simplified the process by providing you the materials you need to train your staff. You can access the training documents at two different AppleCare websites:

- ☞ Go to [www.applecaremedical.com](http://www.applecaremedical.com), click on For Our Doctors, click on the Document Library box then click on the link titled Fraud Abuse Training
- ☞ Log onto AppleCare On-line, go under Group Information and select the Document titled: Fraud Training

Once you have read the material and reviewed it with the appropriate staff we ask that you complete the bottom of this page and fax it to AppleCare at (714) 443-4455. There is no test or additional steps that need to be taken once you have read through the material. **One form per office is sufficient.** Although the materials are provided by AppleCare, they are valid for all CMS required training.

**For additional information contact Network Management at (714) 443-4500  
Thank you for assisting us with meeting this obligation.**

**FRAUD, WASTE, AND ABUSE TRAINING ATTESTATION**

We have reviewed the fraud, waste, and abuse training materials provided by AppleCare, understand the information; and have completed the training requirements.
